

## ANDY CORE TESTIMONIALS

*"Disappointing is the word that comes to my mind. Disappointing because not enough of our members had the pleasure to see and hear the awesome message and delivery that Andy gave. Andy had a good audience, but he was so good I would have liked to see more members take advantage of the opportunity. Andy is great to work with."*

*"Andy spoke at our conference in Phoenix last week. I was fortunate enough to be asked to introduce Andy for each session. Having sat through many conference sessions in my time, I can tell you he was a huge hit with our audience. Everyone I spoke to loved the session, and those who heard were disappointed they were unable to attend. I personally took a lot from it, too, & I'm enjoying his book."*
