

FRANCHISE TESTIMONIALS:

You were fantastic! It is so hard to find a speaker who can do it all – motivate and inspire my team, and give them solid ideas that will get results. You delivered!

Connie Collins COO Bravo/Brio Restaurant Group

“Meridith was the perfect storm – just what we needed to kick-off our franchise conference – funny, engaging and full of energy. She was prepared, she was professional and so wicked smart – she answered questions for over an hour and our franchisees could not get enough.”

Kristy Williams, ABM

I told my team we could never find a speaker who could make succession planning and business strategy fun, entertaining and worthy of a keynote – then we met Meridith. She took what are the biggest challenges in our franchise, and used her knowledge, storytelling and ability to engage an audience to rock our opening session. One of the BEST - maybe the BEST – keynotes we have ever had,”

Mike Kernigan, Bin There Dump That

“You hit it out of the park again – session feedback is off the chart,”

Jori Pollard, Sit Means Sit
