“Colette is an amazing speaker! She did a keynote for 2300 franchise owners, general managers, and managers and a breakout session for 1500 general managers and managers. She did a great job researching our business and sharing stories and examples that the participants could relate to. The participants found her funny and insightful. The vast majority of the participants rated her as *Excellent!* She was also a delight to work with in planning the conference as well as on-site. I highly recommend Colette as a speaker!”

“Colette’s enthusiasm, humor and very practical advice were a huge hit with our group of women General Counsel and senior level in-house counsel. Colette fully committed to our program – spending time with our attendees and other speakers to gain a deep understanding of our challenges and goals. She made sincere personal connections — as a result, her session fit perfectly within our program, and our attendees left energized and better prepared to address the obstacles that impede their success and the success of the organizations they serve.”
