

Joe Mull Testimonials

"Joe Mull was amazing. His keynote was all anyone was talking about for the rest of our conference. It was so inspiring, but also filled with so many practical takeaways. Our attendees loved Joe...he made our planning committee look really good!"

"That was the best keynote I've ever seen. Usually, we go to these things, we sit, we listen, and they say nothing. It's fluff just to make us feel good. Joe's program made us feel great AND gave us so much we could use right away. My boss and I sat there and loved everything about it."

—*Sarah Tolson | Sceptre*

"Our attendees raved about Joe all week. He did four sessions...8 hours of programming and got a nearly perfect score. He is an amazing facilitator and made a lasting impact. We would love to have him back."

—*Meghan McBride | Siemens*

"Joe exceeded every expectation. He is an AMAZING speaker. Our attendees loved his program. He actually gave me goosebumps."

—*Stephanie Haney | BlueCross BlueShield*

"Joe was FANTASTIC! Loved working and talking with him! He did a great job communicating up until the event, great job presenting and following up. We greatly appreciate working with Joe."

—*Claire Arent | KHCA*

"I've hired speakers for years - celebrities, experts, you name it. I've never had someone serve an audience so completely. Substance, humor, engagement, takeaways...Joe was just amazing."
