

## Troy Hazard Keynote: Speed Leading

### 'The 4 key character traits to become a better leader, faster!'

Leading people is tough, particularly in changing times, and everyone has an opinion on how to lead, and what makes a good leader. So, what is the best way to become a better leader, faster? Ask a leader of leaders. Troy Hazard is a business veteran with eleven companies he has founded, built and sold over 20 years.

His entrepreneurial and leadership excellence was recognized when he was elected Global President of the **Entrepreneurs' Organization**. This group is made up of some of the world's greatest business leaders, employing 1.7 million people around the world with combined revenue of \$160 Billion. In short, Troy has proven himself in one of the toughest leadership roles on the planet.

In this session, he will explain why the speed of your personal evolution as a leader has a direct impact on the evolution of your business and those you lead. And he will uncover the 4 key character traits that make up a good leader. Armed with this information you will quickly become more focused, balanced, aware and effective.
