

Stephen Drum Introduction

1. Stephen Drum is a combat-tested retired Navy SEAL Master Chief with 27 years of experience leading and developing high-performance teams.

He co-developed the Navy's Warrior Toughness Program which is instrumental in building tougher and more resilient Navy sailors and officers.

He is the author of **Life on the X** - A Navy SEAL's guide to meeting any Challenge with Courage, Confidence, and Readiness.

Stephen prepares leaders and teams for challenge and adversity, leading to stronger collaboration, enhanced execution, and greater outcomes!

Before Stephen takes the stage, he'd like to share a short video.
