## TESTIMONIALS

*“Liz Bohannon is an amazing storyteller, communicates with passion, and shares wisdom that is applicable. Her talk was among the highest rated from our entire event and one of the most requested by our global community. You would be hard-pressed to find anyone more inspiring!”* – **Lori Hermann, Executive Producer of the Global Leadership Summit**

*“Inspired journey meets strategic thinking meets hilarious storytelling... Liz is the full package, and her accolades hardly prepared me for how amazing her art of presenting would be at Athena. We positioned Liz as the kick-off speaker for a two-day conference, and she set the tone with passion and inspiration immediately with an engaging, authentic story of how purpose is not found, but exists inside us. Our conference attendees have had nothing but glowing comments for her – it’s incredible to witness someone who can change the lives of so many in such a short period of time.”* – **Sara Close, The Athena Conference**

*“Liz Bohannon is truly a transformational leader. Her belief that each person was created for a purpose is evident in the way she leads, inspires and motivates others to build a life of passion and purpose. Her honesty, grit, and commitment to justice ignites others to create a positive impact in the world and be a part of something bigger than themselves.”* – **The John Maxwell Team**

*“Liz is known for her fun and dynamic speaking style and her personal stories about taking risks, building a brand with purpose and striving for gender equality and social enterprise at universities, conferences, and gatherings across the globe.”* – **Brian Rashid, Forbes**
