

Christine Cashen - Testimonials

“We hosted our Annual Pink Ribbon Luncheon and Christine Cashen was our speaker for the event. We have been blessed with great speakers over the years, but Christine took it to a whole new level! Her genuine love for people was evident in the way that she interacted with our guests. She took time to get to know our community and she truly connected with us. She was HILARIOUS, uplifting and motivational! We left our time together feeling very inspired and less tired...and that's an accomplishment!”

—**Shelby Lloyd, Community Development Officer, High Point Regional Health Foundation**

“You have to be one of the most dynamic and passionate speakers we have ever seen. We had over 1,000 participants raving about you! Everyone was talking about how inspired they were and what a memorable experience you provided for them. You were titled 'the bomb' because you blew everyone away... you were the 'star' of the show!”

—**Director, University of Texas Medical Branch**

“Bravo! We wanted a speaker to close our general session who would leave our group charged up, motivated and excited for their achievements. And that's exactly what you did! In addition, you stole the show. I can't thank you enough for giving us more than we expected. Every single person in the room was mesmerized by your presentation. Nobody wanted it to end. It was a meeting planner's dream.”

—**LOMA AVP, Meetings & Conventions**

“We had an amazing time with Christine. Attendees pushed their time to get to flights in order to watch her till the end. We have been getting great feedback and she received a standing ovation.”

That is not typical for our closers... I asked her how we would top her!"
